CPCA Elections – Vote and Meet Your Officers for '03-'04
(and join them for a Dutch treat lunch at Nam Viet after the meeting.)

PSAs, ANCs and “Clusters” – What are they and why do they matter...especially now?

Join a lively discussion of how media cover burning local issues and events, and why — sometimes -- they don't. How do these journalists view current issues that concern our neighborhood? What are the important emerging stories elsewhere in DC that will affect us? What does it take to get your letter published? All this and more....

Also, a timely report on a plan to reduce the number of Police Service Areas (PSAs) and an effort to bypass familiar Advisory Neighborhood Commission (ANC) boundaries in favor of little-known “neighborhood clusters.”

Be sure to attend and vote for next year's officers. Voting will take place at the start of the meeting and nominations from the floor will be in order.
