Three major players in city affairs will update us on a host of issues in the news:

- ◆ **Who will run the schools?**
  - ◆ **Lead in our water – what's happening?**
- ◆ **Should we spend public money on a baseball stadium?**
- ◆ **Property tax assessments – can we make them fair?**
  - ◆ **Traffic gridlock -- is there any hope?**
- ◆ **Is our public health system up to the job?**
  - ◆ **Is utility regulation working?**

As always, there will be plenty of opportunity to ask questions or raise issues.

**Also: CPCA's proposed officer slate for year 2004-05 plus updates  
on other local issues.**
