Property Taxes Got You Feeling “House Poor”?

HOW CAN WE FAIRLY RESTRUCTURE DC PROPERTY TAXES?

Phil Mendelson, At-Large Councilmember
Ed Lazere, Director, DC Policy Research Institute
Ed Cowan
Peter Craig, Attorney

The rapid rise in property assessments is filling the city's coffers, but causing pain for homeowners. Everyone's talking tax relief, but what will it mean to you? The Mayor has announced his plan, and several bills have been introduced in the City Council. Phil Mendelson will outline the proposals being considered, including his own bill, and a panel will respond. In addition, Cleveland Parker Peter Craig will provide an update on his class action suit challenging the way homes are assessed. Come early and bring your best questions.
